

KRITTAPAT MANMONGKHOL

IT Support & Web Developer

- 093-7929629
- ktp.mmkhon@gmail.com
- Age : 21
- 66/20 Preecha Village 2 Mueng Rayong, Rayong 21000

PROFESSIONAL SUMMARY

Information Technology graduate with hands-on internship experience in hardware installation, workstation setup, and network troubleshooting, along with practical experience in on-site safety operations within a data center environment. Reliable, detail-oriented, and quick to learn, with a strong foundation in IT support and a genuine interest in growing further in industrial/manufacturing IT environments. Eager to apply technical skills and safety awareness to support production operations in a dynamic organization that values continuous learning.

EXPERIENCE

Safety Technician - TrueID Data Center

Apr 2026 - Jul 2026

- Conducted daily on-site safety inspections across data center work areas to verify compliance with safety standards and procedures.
- Identified potential hazards and unsafe conditions, reporting findings promptly and coordinating corrective actions to prevent incidents.
- Guided and supported workers on-site to ensure tasks were carried out correctly, safely, and in line with site procedures.

IT Support Intern - Repco Maintenance Co., Ltd.

May 2025 – Jan 2026

- Assisted senior technicians with hardware and software installation, upgrades, and basic troubleshooting for company workstations
- Supported maintenance and inspection of IT equipment including computers, printers, network switches, UPS, and barcode scanners
- Helped monitor network connectivity and reported issues to senior IT staff for resolution
- Assisted in setting up and configuring new user accounts and basic access permissions under supervision
- Provided first-level technical support to end-users and escalated complex issues to senior technicians
- Documented daily maintenance tasks and equipment status reports
